

Choices Legacy

Do you want a timber effect window without the painting?

Try our new 'Legacy' window

- ✓ Kömmerling O70 fully sculptured Outer Frame, ensuring a close match to a traditional timber window
- ✓ Kömmerling C70 "slim line" Sash – ensuring a traditional putty line look to the outside
- ✓ All Transoms & Mullions are mechanically jointed with Arris detail giving the appearance of timber joints
- ✓ Supplied with sashes and dummy sashes only providing equal sightlines
- ✓ Realistic wood effect lamination – reproducing a painted timber finish
- ✓ Sash/Mullion/Sash sight line of 154mm – close to timber proportions
- ✓ Black gaskets and warm edge spacer
- ✓ Environmentally friendly "Greenline" lead free profile
- ✓ "A" rated energy efficient "5" chamfered profile
- ✓ Deep sculptured Astragal bar to interior
- ✓ Putty line Astragal bar to exterior
- ✓ Tested to BS7950 enhanced security
- ✓ Available in a choice of foils
